<p>Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. Use hash marks (///) for daily entries in the columns. To obtain the average daily number of transactions during the survey period by the number of days in the survey, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.</p>

POSTAL CUSTOMER
FREEDOM POST OFFICE
FREEDOM, WY 83120

Dear Postal Service Customer:

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

The Postmaster at the Freedom Post Office was promoted on 06/01/2009. The Office is being studied for possible closing or consolidation for the following reasons: 1. Declining workload 2. Proximity to other offices 3. Alternate service could be provided by other means

Briefly, we would like to provide pickup and delivery of your mail, as well as the sale of stamps and all other customary postal services, by highway contract route service emanating from the Afton Post Office.

We estimate that carrier service would cost the Postal Service substantially less than maintaining the Post Office in your community and still provide regular and effective service. Enclosed is information about some of the services available from the carrier. Retail services are also available at the Afton Post Office, located 20.8 miles away. Hours of service at this office are 08:30 to 17:00, Monday through Friday, and on Saturday. Post Office box service is available at this location at the same fees.

In addition retail services are also available at the Thayne Post Office, located 6.0 miles away. Hours of service at this office are 07:30 to 16:00, Monday through Friday, and 08:45 to 11:45 on Saturday.

I invite you to think about a possible change to highway contract route service. Please return the enclosed questionnaire by 05/18/2011 using the pre-addressed envelope provided or at the community meeting. Please be aware that, if we formalize a proposal, your questionnaire will become part of an official record and will be available for public viewing.

You may, of course, want to discuss this form of service with us before drawing any conclusions. Postal representatives will be at the on Wednesday, May 18, 2011 from to to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

If you have any questions, you may call Marcela Juarez Rivera at (303) 853-6070.

Thank you for your assistance.

Sincerely,

GARY SIMS

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

1. Concern (UnFavorable):
Customers asked why their post office was being discontinued while others were retained
Response:
You asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
2. Concern (UnFavorable):
Customer expressed a concern about package delivery and pickup
Response:
You expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.
3. Concern (UnFavorable):
Customers questioned whether the facility was inadequate, they express concern over the parking lot and when it would be replaced or repaired.
Response:
At this time the parking lot is adequate and we do not have plans to replace or repair it. The parking lot is actually in better condition than the street it is located on, a responsibility of the town.
4. Concern (UnFavorable):
You were concerned about having to travel to another post office for service
Response:
You expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.
5. Concern (UnFavorable):
Customers were concerned about the quality of service, reliability, and integrity of the contractor
Response:
You expressed a concern about the quality of service, reliability, and integrity of the contractor. Award of the contract is based on evaluation of criteria including annual monetary amount, contractor ability and background, and the quality and location of the facility. The successful bidder must be bonded and will be trained, administered, and supervised by the Postal Service to ensure high standards of service.
6. Concern (UnFavorable):
Customers were concerned about senior citizens
Response:
You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
7. Concern (UnFavorable):
Customers expressed concern over a postal representative not being customer oriented
Response:
You expressed concern over a postal representative not being customer oriented. The Postal Service is very interested in the service needs of the community and customer feedback is crucial to improving service. Concerns raised by the community will be investigated by the Postal Service and appropriate actions will be taken.
8. Concern (UnFavorable):
Customers said they would miss the special attention and assistance provided by the personnel at the Post Office
Response:
You stated that you would miss the special attention and assistance provided by the personnel at the suspended Post Office. Courteous and helpful service will be provided by personnel at the administrative Post Office and from the carrier. Special assistance will be provided as needed
9. Concern (UnFavorable):
Customers expressed concern that postal employees who worked at the Freedom Post office were rude and did not provide good customer service. they expressed and interest in the USPS offering the current OIC a permanent

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

The Freedom Post Office became vacant when the Postmaster was promoted on 06/01/2009. Declining work volume, and proximity to another office are also reasons why the Freedom office has been studied for discontinuance.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at Freedom Community Park Shelter, Freedom, WY on 05/18/2011 from 6 PM to 8 PM to answer questions and provide information about our service.

If you have any questions, you may contact Marcela Juarez Rivera at (303) 853-6070.

Thank you for your assistance.

PROPOSAL TO CLOSE
THE FREEDOM, WY POST OFFICE
AND ESTABLISH
SERVICE BY HIGHWAY CONTRACT ROUTE SERVICE

DOCKET NUMBER 1364103 - 83120

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Freedom, WY Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Afton Post Office, located 21 miles away. Service may be provided to cluster box units (CBUs).

CBUs are secure free-standing units of individually locked mail compartments installed and maintained by the Postal Service at no cost to the customer. A parcel locker may also be installed.

The postmaster position became vacant when the postmaster was promoted on June 01, 2009. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: 1. Declining workload 2. Proximity to other offices 3. Alternate service could be provided by other means

The Freedom Post Office, an EAS-11 level, provides service from 08:30 - 16:30 Monday - Friday, 09:00 - 12:00 Saturday and lobby hours of 24 on Monday - Friday and 24 on Saturday to 172 post office box or general delivery customers and 75 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 14 transaction(s) accounting for 16 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by highway contract route service. Office receipts for the last 3 years were: \$30,871 (81 revenue units) in FY 2008; \$25,056 (65 revenue units) in FY 2009; and \$24,642 (64 revenue units) in FY 2010. There were four permit mailer(s) or postage meter customer(s).

On May 18, 2011, representatives from the Postal Service were available at Freedom Community Park Shelter, Freedom, WY to answer questions and provide information to customers. 78 customer(s) attended the meeting.

On March 30, 2011, 255 questionnaires were distributed to delivery customers of the Freedom Post Office. Questionnaires were also available over the counter for retail customers at the Freedom Post Office. 81 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 7 favorable, 66 unfavorable, and 8 expressed no opinion.

One congressional inquiry was received on May 27, 2011.

A petition supporting the retention of the Freedom Post Office was received on June 19, 2011, with 99 signatures. If this proposal is implemented, delivery and retail services will be provided by the Afton Post Office, an EAS-18 level office. Window service hours at the Afton Post Office are from 08:30 to 17:00, Monday through Friday, and on Saturday. There are 11 post office boxes available.

Retail service is also available at the Thayne Post Office an EAS-15 level office, located six miles away. Window service hours at Thayne Post Office are from 07:30 to 16:00, Monday through Friday and 08:45 to 11:45 on Saturday. There are 13 post office boxes available for rent.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customer expressed a concern about irregular hours that the rural route serves the community and distance to closest post office.

Response: The customer expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier. Retail services may also be obtained at the Thayne post office located 6 miles away.
2. **Concern:** Customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages

Response: The customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages. The rural carrier will accept any letters or packages for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate.
3. **Concern:** Customers expressed concern for loss of community identity

Response:

The customer expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory.

4. **Concern:**

Customers expressed concern over the dependability of Rural Route/HCR service and convenience of retail services.

Response:

The customer expressed a concern over the dependability of rural route/HCR service. Rural/HCR carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural/HCR carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural/hcr carriers have demonstrated great responsibility in providing mail service to postal customers. Rural/HCR carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day. The Thayne post office located 6 miles away also provides all retail services

5. **Concern:**

Customers were concerned about obtaining accountable mail and large parcels

Response:

The customer expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. If the live over one-half mile away or is not home when delivery is attempted, a notice will be left in the mailbox. Large parcels will be left outside the mailbox or at a designated location or a notice will be left in the mailbox. Attempted delivery items will be taken back to the administrative Post Office. Customers may pick up the item at the post office, request redelivery on another day or authorize delivery to another party.

6. **Concern:**

Customers were concerned about the mailboxes being damaged by snowplows

Response:

The customer expressed a concern about the mailboxes being damaged by snowplows. Please contact the administrative postmaster to determine the proper mailbox location and installation method that would help alleviate this concern. Placing the mailbox on a long, swinging, horizontal pipe is one method often used to avoid damage by snowplows.

7. **Concern:**

No Concern.

Response:

We appreciate you taking the time to complete the Customer Questionnaire. Your responses will be considered when recommendations for changes in service are determined.

8. **Concern:**

Customer expressed a concern about package delivery and pickup

Response:

The customer expressed a concern about package delivery and pickup. Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport.

9. **Concern:**

Customers asked why their post office was being discontinued while others were retained

Response:

The customer asked why the suspended post office was being discontinued while others were retained. Post offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

10. **Concern:**

Customers expressed concern over a postal representative not being customer oriented

Response: The customer expressed concern over a postal representative not being customer oriented. The Postal Service is very interested in the service needs of the community and customer feedback is crucial to improving service. Concerns raised by the community will be investigated by the Postal Service and appropriate actions will be taken.

11. **Concern:** Customers expressed concern that postal employees who worked at the Freedom Post office were rude and did not provide good customer service, they expressed an interest in the USPS offering the current OIC a permanent Postmaster position in Freedom

Response: Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be conveyed to the postmaster by the manager, post office operations. Unfortunately at this time we are not able to offer permanent postmaster positions.

12. **Concern:** Customers questioned whether the facility was inadequate, they express concern over the parking lot and when it would be replaced or repaired.

Response: At this time the parking lot is adequate and we do not have plans to replace or repair it. The parking lot is actually in better condition than the street it is located on, a responsibility of the town.

13. **Concern:** Customers said they would miss the special attention and assistance provided by the personnel at the Post Office

Response: The customer stated that you would miss the special attention and assistance provided by the personnel at the suspended Post Office. Courteous and helpful service will be provided by personnel at the administrative Post Office and from the carrier. Special assistance will be provided as needed

14. **Concern:** Customers were concerned about senior citizens

Response: The customer expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

15. **Concern:** Customers were concerned about the quality of service, reliability, and integrity of the contractor

Response: The customer expressed a concern about the quality of service, reliability, and integrity of the contractor. Award of the contract is based on evaluation of criteria including annual monetary amount, contractor ability and background, and the quality and location of the facility. The successful bidder must be bonded and will be trained, administered, and supervised by the Postal Service to ensure high standards of service.

16. **Concern:** You were concerned about having to travel to another post office for service

Response: The customer expressed a concern about having to travel to another post office for service. Services provided at the post office will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Freedom is an unincorporated community located in LINCOLN County. The community is administered politically by Lincoln County Wyoming and Caribou County Idaho. Police protection is provided by the Lincoln County Sheriff's Dept. Fire protection is provided by the Thayne Fire Dept. The community is comprised of There is a mix of all economic classes from wealthy summer home owners to retiree's and commuters working within Star Valley and Jackson. Many are self-employed (see attached listing), and many farmers and ranchers in the area., and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Freedom LDS Church, See attached list . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Freedom Post Office will be available at the Afton Post Office. Government forms normally provided by the Post Office will also be available at the Afton Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customer expressed a concern about nonpostal services.
Response: The customer expressed a concern about nonpostal services. Nonpostal services provided at Freedom Post Office will be available at the Thayne Post Office located 6 miles away. Government forms normally provided by the post office will also be available at any Post Office or by contacting your local government agency.
2. **Concern:** Customers expressed concern for loss of community identity
Response: The customer expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the suspended Post Office name and ZIP Code in addresses and in the National Five-Digit ZIP Code and Post Office Directory.
3. **Concern:** Customers felt the loss of a post office would have a detrimental effect on the business community
Response: The customer expressed a concern about the detrimental effect the loss of the post office would have on the community. Businesses generally require regular and effective postal services, and these will always be provided to the suspended Post Office community. There is no indication that the business community will be adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the post office is discontinued.
4. **Concern:** Customers were concerned about senior citizens.

Response:

The customer expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or CBUs. Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

5. **Concern:**

Customers were concerned about the mailboxes being damaged by snowplows

Response:

The customer expressed a concern about the mailboxes being damaged by snowplows. Please contact the administrative postmaster to determine the proper mailbox location and installation method that would help alleviate this concern. Placing the mailbox on a long, swinging, horizontal pipe is one method often used to avoid damage by snowplows.

6. **Concern:**

No Concern.

Response:

We appreciate you taking the time to complete the Customer Questionnaire. Your responses will be considered when recommendations for changes in service are determined.

7. **Concern:**

You expressed a concern about the loss of a public bulletin board.

Response:

The Postal Service is not required to maintain a public bulletin board. A public bulletin board can be made available at another local establishment.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on June 01, 2009. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 41,210 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 33,168
Fringe Benefits @ 33.5%	\$ 11,111
Annual Lease Costs	<u>+ \$ 6,260</u>
Total Annual Costs	\$ 50,539
Less Annual Cost of Replacement Service	<u>- \$ 9,329</u>
Total Annual Savings	<u>\$ 41,210</u>

A one-time expense of \$ 10000 will be incurred for the movement of this facility.

V. OTHER FACTORS

There are no suitable locations for a VPO.

VI. SUMMARY

The Postal Service is proposing to close the Freedom, WY Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Afton Post Office, located 21 miles away. Service may be provided to cluster box units (CBUs).

The postmaster was promoted on June 01, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by highway contract route service.

The Freedom Post Office provided delivery and retail service to 172 PO Box or general delivery customers and 75 delivery route customers. The daily retail window transactions averaged 14. There are four permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$41,210 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Freedom Post Office, Thayne Post Office and Afton Post Office during normal office hours.

The retail window averaged 14 transaction(s) accounting for 16 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by highway contract route service. Office receipts for the last 3 years were: \$30,871 (81 revenue units) in FY 2008; \$25,056 (65 revenue units) in FY 2009; and \$24,642 (64 revenue units) in FY 2010. There were four permit mailer(s) or postage meter customer(s).

On May 18, 2011, representatives from the Postal Service were available at Freedom Community Park Shelter, Freedom, WY to answer questions and provide information to customers. 78 customer(s) attended the meeting.

On March 30, 2011, 255 questionnaires were distributed to delivery customers of the Freedom Post Office. Questionnaires were also available over the counter for retail customers at the Freedom Post Office. 81 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 7 favorable, 66 unfavorable, and 8 expressed no opinion.

One congressional inquiry was received on May 27, 2011.

A petition supporting the retention of the Freedom Post Office was received on June 19, 2011, with 99 signatures. If this proposal is implemented, delivery and retail services will be provided by the Afton Post Office, an EAS-18 level office. Window service hours at the Afton Post Office are from 08:30 to 17:00, Monday through Friday, and on Saturday. There are 11 post office boxes available.

Retail service is also available at the Thayne Post Office an EAS-15 level office, located six miles away. Window service hours at Thayne Post Office are from 07:30 to 16:00, Monday through Friday and 08:45 to 11:45 on Saturday. There are 13 post office boxes available for rent.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:** Customer expressed a concern about irregular hours that the rural route serves the community and distance to closest post office.

Response: The customer expressed a concern about irregular hours that the rural route serves the community. Our carriers strive to provide service at approximately the same time on a daily basis, however mail volumes and weather conditions often effect delivery times. If you desire special services from the rural carrier you may leave a note in your mailbox instructing the carrier. Retail services may also be obtained at the Thayne post office located 6 miles away.
2. **Concern:** Customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages

Response: The customer expressed a concern about the inability of the rural carrier to weigh and rate letters and packages. The rural carrier will accept any letters or packages for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate.
3. **Concern:** Customers expressed concern for loss of community identity

I WOULD LIKE TO VOTE ON YES ON KEEPING THE FREEDOM POST OFFICE OPEN. IT IS AN IMPORTANT PART OF THIS SMALL COMMUNITY WHICH HOUSES THREE COUNTIES AND TWO STATES. WE ARE QUITE FAR FROM ANY OTHER POST OFFICE AND WITH THE INCONVENIENCE OF LIVING OUT IN THE COUNTRY, A POST OFFICE KEEPS THE COMMUNITY IN TACK. IT IS USED OFTEN AND DAILY AND IS MY LIFE LINE TO RECEIVING AND SENDING MAIL. PLEASE CONSIDER THIS A YES VOTE TO KEEP THE FREEDOM POST OFFICE OPEN FOR PUBLIC USE. THANK YOU

I WOULD LIKE TO ASK THE POSTAL SERVICE TO REMAIN A POSTAL SERVICE. AND KEEP THE FREEDOM POST OFFICE OPEN. IF THE FREEDOM POST OFFICE IS CLOSED IT WILL BE AN OFFICE OF NO SERVICE.

IF THIS OFFICE IN FREEDOM IS CLOSED I AM GOING TO BE FORCED TO LEARN TO USE A COMPUTER AND CELL PHONE. AND USE E MAIL AND TEXT MESSAGE. INSTEAD OF LETTERS LIKE I HAVE BEEN DOING IN THE PAST, AND FEEL MORE COMFORTABLE WITH LETTERS THAN THE OTHER WAYS.

BUT IF THE OFFICE IN FREEDOM IS CLOSED I GUESS I WILL BE USING E MAIL, TEXT MESSAGING, TELEPHONE AND SEND MY PACKAGES WITH UPS.

SO PLEASE USE YOUR INFLUENCE TO KEEP THE FREEDOM POST OFFICE OPEN. I FEEL HOPELESS WITHOUT A POST OFFICE IN FREEDOM.

Postmasters President: Closing Small Offices Is A Measure To Make Senior USPS Managers Look Good

May 17, 2011 by Lu

Filed under: NLPM, post office closings, postal, postal news, usps

May 17, 2011 – LEAGUE President Mark Strong testified before the Senate Committee on Homeland Security and Governmental Affairs Subcommittee on Federal Financial Management, Government Information, Federal Services and International Security. Mark joined the Postmaster Pat Donahoe and five other panelists to give testimony on the financial condition of the post office as well as addressing Senator Carper's bill as well as the Collins bill.

Included in Mark's comments was testimony on the overfunding of the pension funds as well as the prefunding of the retiree health benefits being at the source of the Postal Services financial condition. During his oral testimony Mark told the Senate Committee that "no business of any type, in any part of the country, could afford to pay a 5 Billion dollar supplemental annual income tax that its competitors do not pay, and remain viable".

Marks remarks also covered the issue of closing of small post offices. Small office closings are one of those cost savings measures that are popular to some mid-level postal officials because they can look good with the impression that they are driving large cost out of the system. He further mentioned that Post Offices and Postmasters.....are the glue the binds rural America together. Something some urbanites have a hard time understanding but it is the truth, not rhetoric and not exaggerated.

Jack Jameson
Executive Vice President

Closing of Small Post Offices

There appears to be renewed interest in some sectors in closing small rural post offices, an interest that is too often simplistically tied to the notion of closing excess facilities to drive excess capacity out of the system. This interest has arisen despite the fact that small rural post offices are the keystone of many rural communities, and the fact that closing post offices saves the Postal Service very little money. According to PRC data the total net cost of the 10,000 smallest Post Offices—more than one-third of all Post Offices in the United States—is less than seven tenths of one percent (0.7%) of the total cost of the United States Postal Service. The League just recently re-verified that data with the Commission's staff.

Thus, closing post offices is not a cost savings measure of any serious import, no matter how anyone spins it. It is one of those —cost saving measures that is popular with senior postal managers who wish to —look good and give the impression that they are driving costs out of the system, without really doing so. In order to drive costs out of the system, one needs to focus on

increasing efficiency in the administration of the system (less reports, more hands-on work) and on driving out any excess capacity in the processing and transportation network. The breadth and scope of the delivery network turns more on the number of delivery points in an area, rather than on the number of pieces delivered. The number of pieces delivered goes to the number of routes that exist, and our members have worked with their carriers in very productive ways throughout the recession, in order to consolidate and increase productivity in that area.

Closing post offices, like the closing of Borders Bookstores or Blockbuster outlets, can seem like a fast way to cut costs, but it carries significant hidden costs. First, unlike other stores, post offices are not just retail outlets; they are part of a nationwide receipt and delivery network. This receipt and delivery network depends upon the existence of these rural offices, and without them there will be gaps in coverage of delivery and postal services.

Small post offices should not be closed, and indeed cannot be closed without doing serious damage to rural America and the image of the federal government in those areas.

On May 18, Wednesday we had a meeting about the closing of the Freedom Post Office. There was about 150 people in attendance. The purpose of the meeting was the closing of the Freedom Post Office. The concerns to be discussed were having a Postmaster and the revenue of the Post Office as directed by Gary Sims from Riverton, Wyo. (Officer in Charge of Operations)

We have had a Postmaster for at least three years, however she has not been acting in the Freedom office for that amount of time. She has been assigned to other offices in Wyo. as clerk in charge or as a training clerk. That has left the Freedom office with a clerk in charge and no Postmaster due to the decision of the management. At the present time Gary Astle is the acting postmaster in Freedom. He is also the Postmaster in Fairview, Wyo. Gary would like to have the job in Freedom. This could be done with a transfer leaving a clerk in charge in Fairview under his supervision. (We were told there was a freeze on hiring new)

There is a need for services in Freedom because of the businesses that are here, and the patrons in Wyo and Idaho. The Name Freedom Wyoming Postmark has brought people and business into Freedom and Wyo. Freedom Arms maker of the 454 Casull gun located here for the name and is world renowned. Silver Star Communications also operates in both states. The name brings people and business into Wyo. Idaho patrons would have great problems with mail delivery and zip codes and other.

As revenue cost cuts the office could be closed on Saturday. If the office was closed it would cost the government more to deliver as opposed to boxes in the office. (\$40 compared to \$210 per patron)

Re: Proposed Post Office Closure Freedom, WY

Dear Ms. Lummis:

No doubt the government will save some small amount by closing rural post offices, however, this does not take into account the increased travel cost for the patrons, the loss of productive effort associated with the increased travel times, and the lack of about any other useful service the federal government renders to us Janey lunch buckets of the country.

There are plenty of savings to be had with federal operations. A 10% reduction in compensation for all federal employees, or at the least a compensation freeze. We have National Park Service Rangers with a larger compensation packages than the Governor of Wyoming for goodness sakes! Compared to what private sector employees make in Star Valley, government employees are plutocrats.

Your help in keeping our little post office open is appreciated.

All the best,

The Honorable Michael B. Enzi
United States Senator
P.O. Box 12470
Jackson, WY 83002

Dear Senator Enzi:

This is in response to your inquiry on behalf of constituent Judi Robinson, regarding the Freedom Post Office.

Thank you for sharing your constituents' concerns. As you are aware, the U.S. Postal Service receives no tax dollars for operating expenses, and relies on the sale of postage, products and services to fund its operations. As a result of dramatic declines in mail volume, the Postal Service continues to experience significantly reduced revenue. In fact, over the past five years, mail volume has declined by 43.1 billion pieces, customer visits have decreased by 200 million, and retail transactions have diminished by \$2 billion. In order to sustain universal mail service to the American people, we are taking every action within our control to cut costs and streamline operations across the organization.

Before the Postal Service makes a decision to close or consolidate an independent Post Office, we comply with all the stipulations mandated by federal law. All final decisions are subject to review by the independent Postal Regulatory Commission, and the discontinuance procedures contained in Title 39, United States Code, are exercised before an independent Post Office can be permanently closed. If an office is closed, the office name is retained for use in local mailing addresses to preserve community identity.

The final determination to close the Freedom Post Office is scheduled for posting in the Freedom Post Office lobby from August 29th through September 29th. It is during this period that customers may file an appeal to the Post Regulatory Commission.

Please be assured that any decision regarding the future status of the Freedom Post Office will carefully balance our universal service responsibility and our statutory duty to operate in an efficient manner. Consideration of such matters will help ensure that the Postal Service furnishes a maximum degree of regular and effective postal services to the community well into the future.

If I can be of assistance with other postal issues, please let me know.

Sincerely,

To the State of Wyoming Postal Officials:

I am writing about the Freedom, Wyoming Post Office. This is an old post office. It has been around for a long time, and people rely on it to be there when they need it.

The older people in Freedom need a building that is close so that they won't have to travel to other towns for their mail. That would be hard on many of them. There are a lot of older people in Freedom.

I'm sure that Freedom Arms and Silver Star Telephone put a lot of mail through this post office, if money is the issue. A lot of us folks do a lot of business here in Freedom as well.

I know it's about the dollars, but to us it's about more than that. It's about accessibility and practicality. Are you really saving that much money by moving our boxes to Thayne or Etna?

I realize the choice is out of our hands, but I'm appealing to you to do the right thing and keep the Freedom Post Office open.

Thank you,

Richard Rose

To Whom It May Concern:

I am writing concerning the Freedom, Wyoming Post Office. This post office has been in existence for more years than I am old – and I am pretty old! Its history is long and the need for it is great!

There are many elderly people in this community that rely on accessing a local building and moving it or closing it would be a great hardship on many of them.

The changing of most of our mailing addresses would be huge as well. Everything from changing the printed addresses on our checks to losing our local identity would be involved. The monetary loss wouldn't be great, but the psychological loss would be enormous. Freedom is who we are!

I realize that the bottom line here is the dollars, but surely enlarging another building to facilitate all of the people in Freedom's mail can't be cheap either.

I know the postal service does not owe us anything, but I hope that you will reconsider closing the Freedom Post Office and help the people of our small community maintain a sense of identity and community.

Thank you,

Judy Rose

To whom it may concern:

I feel that closing the Freedom Post Office in Freedom, Wyoming would be a mistake. Closing rural post offices may seem like a fast way to cut costs, but it will carry significant hidden costs. First, post offices are part of a nationwide receipt and delivery network. This receipt and delivery network depends upon the existence of these rural offices, and without them there will be gaps in coverage of delivery and postal services.

"Closing post offices is not a cost savings measure of any serious import, no matter how anyone spins it. It is one of those--cost saving measures that is popular with senior postal managers who wish to--look good and give the impression that they are driving costs out of the system, without really doing so. In order to drive costs out of the system, one needs to focus on increasing efficiency in the administration of the system (less reports, more hands-on work) and on driving out any excess capacity in the processing and transportation network. The breadth and scope of the delivery network turns more on the number of delivery points in an area, rather than on the number of pieces delivered. The number of pieces delivered goes to the number of routes that exist, and our members have worked with their carriers in very productive ways throughout the recession, in order to consolidate and increase productivity."

(From May 17, 2011 Filed under: NLPM, post office closings, postal, postal news, usps)

Small rural post offices are the keystone of many rural communities, and the fact is that closing post offices saves the Postal Service very little money. According to PRC data the total net cost of the 10,000 smallest Post Offices--more than 1/3 of all Post Offices in the United States--is less than seven tenths of one percent (0.7%) of the total cost of the United States Postal Service. If you want to cut costs, close the post office on Saturdays.

The Freedom Post Office services two states and three counties. It has 168 box rentals and 75 on route. There are 68 businesses in Freedom. There are many elderly people in this community that depend on the postmaster to assist them in receiving their drive up mail. Freedom winters are harsh (up to 4 ft. of snow). It will cause a hardship to all who have to keep snow removed from their postal box.

Freedom residents would be forced to use other delivery services such as Fed Ex and UPS, when otherwise they would have used the US Postal Service, causing the US Postal Service to lose even more money.

It is against the federal law to close a postal facility if it is operating "in the red". Gary Astle is the postmaster in Fairview, WY , but is acting as the officer in charge in Freedom. Gary would like to be the Postmaster in Freedom. Why can't Gary Astle be transferred to the Freedom Post office.

Closing the Freedom Post Office would be a mistake. It would hurt our community for many different reasons. Small communities are the backbone of this country. Every time a business is taken out it hurts economically.

Please consider these things and keep the Freedom Post Office open!!

Sincerely,

Gary Hokanson

On May 18, Wednesday we had a meeting about the closing of the Freedom Post Office. There was about 150 people in attendance. The purpose of the meeting was the closing of the Freedom Post Office. The concerns to be discussed were having a Postmaster and the revenue of the Post Office as directed by Gary Sims from Riverton, Wyo. (Officer in Charge of Operations)

We have had a Postmaster for at least three years, however she has not been acting in the Freedom office for that amount of time. She has been assigned to other offices in Wyo. as clerk in charge or as a training clerk. That has left the Freedom office with a clerk in charge and no Postmaster due to the decision of the management. At the present time Gary Astle is the acting postmaster in Freedom. He is also the Postmaster in Fairview, Wyo. Gary would like to have the job in Freedom. This could be done with a transfer leaving a clerk in charge in Fairview under his supervision. (We were told there was a freeze on hiring new)

There is a need for services in Freedom because of the businesses that are here, and the patrons in Wyo and Idaho. The Name Freedom Wyoming Postmark has brought people and business into Freedom and Wyo. Freedom Arms maker of the 454 Casull gun located here for the name and is world renowned. Silver Star Communications also operates in both states. The name brings people and business into Wyo. Idaho patrons would have great problems with mail delivery and zip codes and other.

As revenue cost cuts the office could be closed on Saturday. If the office was closed it would cost the government more to deliver as opposed to boxes in the office. (\$40 compared to \$210 per patron)

The following would request that the post office remain open::

Silver Star Communications uses our local facility in Freedom, WY (83120) as our primary post office for both incoming and outgoing mail. Even though we recently moved our billing process off site, we have made arrangements to pay extra for the additional service to "Drop Ship Meter" our customer billing so that the Freedom post office will get credit for all bills sent out on a monthly basis. Re: Proposed Post Office Closure Freedom, WY

Dear Mr. Sims:

No doubt the government will save some small amount by closing rural post offices, however, this does not take into account the increased travel cost for the patrons, the loss of productive effort associated with the increased travel times, and the lack of about any other useful service the federal government renders to us Janey lunch buckets of the country.

?

The Post Office is important in our community---the bulletin board is like a town newspaper to us. Your help in keeping our little post office open is appreciated.

All the best,

Dear Senator Dockstader:

I want to thank you for your visit on June 13 and for sharing your concerns regarding the Freedom Post Office. In response to the concerns you shared, please know that the letters you provided on behalf of Bob Baker, president of Freedom Arms, and Allen Hoopes, CEO of Silver Star Communications, will be included in the official record submitted to Headquarters personnel for their consideration in the final determination of the study. In addition, your letter of support will be included with the petition signed by the residents of Freedom.

I have communicated with the local Officer in Charge of the Freedom Post Office to have available in the lobby to customers the Optional Comment Form to fill out at their leisure and return to the Officer in Charge. These will also be submitted to Headquarters at the removal of the proposal posting on August 7, 2011.

Per your request, the address of the Postal Regulatory Commission is 901 New York Avenue NW, Suite 200, Washington, DC 20268-0001. You may also obtain more information about the PRC by visiting their website at www.prc.gov.

One item of concern that we would like to investigate further is the revenue generated by the Silver Star Communications monthly mailing. The Marketing Manager, Sally Tuomi, could not verify with South Dakota postal personnel the drop shipments handled in their office. If you would be so kind as to have the permit number of Silver Star Communications provided to Ms. Tuomi, she will further investigate this matter for you. She may be reached at 303-853-6112.

Thank you for your support of the United States Postal Service.

Sincerely,

On May 18, Wednesday we had a meeting about the closing of the Freedom Post Office. There was about 150 people in attendance. The purpose of the meeting was the closing of the Freedom Post Office. The concerns to be discussed were having a Postmaster and the revenue of the Post Office as directed by Gary Sims from Riverton, Wyo. (Officer in Charge of Operations)

We have had a Postmaster for at least three years, however she has not been acting in the Freedom office for that amount of time. She has been assigned to other offices in Wyo. as clerk in charge or as a training clerk. That has left the Freedom office with a clerk in charge and no Postmaster due to the decision of the management. At the present time Gary Astle is the acting postmaster in Freedom. He is also the Postmaster in Fairview, Wyo. Gary would like to have the job in Freedom. This could be done with a transfer leaving a clerk in charge in Fairview under his supervision. (We were told there was a freeze on hiring new)

There is a need for services in Freedom because of the businesses that are here, and the patrons in Wyo and Idaho. The Name Freedom Wyoming Postmark has brought people and business into Freedom and Wyo. Freedom Arms maker of the 454 Casull gun located here for the name and is world renowned. Silver Star Communications also operates in both states. The name brings people and business into Wyo. Idaho patrons would have great problems with mail delivery and zip codes and other.

As revenue cost cuts the office could be closed on Saturday. If the office was closed it would cost the government more to deliver the mail as opposed to boxes in the office. (\$40 compared to \$210 per patron) The Post office is very important to us. It is the center of town. We learn of past and future event through the post office. (funerals of people from all of Star Valley, road closures like Snake River Canyon, flooding, TinCup, the State Line Roads, town clean-ups, and celebrations)

The following would request that the post office remain open::

Dear Sir:

As we prepare to review proposed closing for post offices in the Western Area-Denver Region, let me share with you two important points regarding the Freedom, Wyoming facility.

First, we have arranged an agreement with Silver Star Communications, with offices in three counties and two states, to do all of their mailing operations out of the Freedom Post Office. Silver Star includes telephone, cell phone, broadband internet and television services in Wyoming and Idaho.

Second, it would be beneficial for Freedom Arms, a gun manufacturer that ships their product throughout the U.S. and the world, to maintain a home mailing address that acknowledges the town of Freedom. The company is based on the name of Freedom.

Please assist us a community as we try to maintain this postal facility in Freedom, Wyoming.

Thank you for your consideration,

I am writing in support and encouragement of retaining the Freedom Post Office in Wyoming. This office serves 2 states and 3 counties in Idaho and Wyoming. The loss of this office would place an undo hardship on residents and people in the surrounding areas to receive mail and post mail out. I feel that this reported closure is all about money or profitability which is one reason you could not close an office as stated in your by-laws.

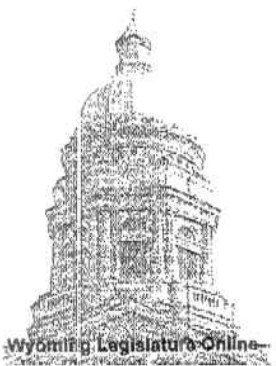

Many local businesses also use the Freedom Post service for mail pickup and point of interest in a town situated with half the street in Wyoming and half in Idaho. Such closure would be historically devastating and premature. It does not make sense to close a post office, yet offer delivery of mail on mail routes for free.

News agencies claim there is a 5.4 billion dollar retiree debt attached to the Postal service and the major expense is retired employees and not ongoing expenses associated with mail service at post offices.

We strongly urge you to keep the Freedom, Wyo. Post Office open for historical and community purposes.

Dear Sirs,

Removing the post office and delivery service from the town of Freedom, WY would create quite a disruption to our business. Freedom Arms not only receives and sends quite a bit of mail through the Freedom post office but we send some of our products through the postal service. Without the post office and delivery service we would have to have someone go to Thayne, WY everyday which is five times the distance.

If the delivery service were continued but drop boxes were used in place of the mail being delivered to our office, we would strongly oppose that. At times we receive and ship firearms around the country. We would not want these firearms left in a drop box alongside the road. Even a locking drop box would not provide the security we feel is necessary for the items we ship and receive. Plus the size of the drop boxes I am familiar with are too small for many of the packages we ship and receive.

I encourage the US Postal Service allows the Freedom Post Office to continue serving the people and companies in this area.

Sincerely,

Bob Baker

Postmasters President: Closing Small Offices Is A Measure To Make Senior USPS Managers Look Good

May 17, 2011 by Lu

Filed under: NLPM, post office closings, postal, postal news, usps

May 17, 2011 – LEAGUE President Mark Strong testified before the Senate Committee on Homeland Security and Governmental Affairs Subcommittee on Federal Financial Management, Government Information, Federal Services and International Security. Mark joined the Postmaster Pat Donahoe and five other panelists to give testimony on the financial condition of the post office as well as addressing Senator Carper's bill as well as the Collins bill.

Included in Mark's comments was testimony on the overfunding of the pension funds as well as the prefunding of the retiree health benefits being at the source of the Postal Services financial condition. During his oral testimony Mark told the Senate Committee that "no business of any type, in any part of the country, could afford to pay a 5 Billion dollar supplemental annual income tax that its competitors do not pay, and remain viable".

Marks remarks also covered the issue of closing of small post offices. Small office closings are one of those cost savings measures that are popular to some mid-level postal officials because they can look good with the impression that they are driving large cost out of the system. He further mentioned that Post Offices and Postmasters....are the glue the binds rural America together. Something some urbanites have a hard time understanding but it is the truth, not rhetoric and not exaggerated.

Jack Jameson
Executive Vice President

Closing of Small Post Offices

There appears to be renewed interest in some sectors in closing small rural post offices, an interest that is too often simplistically tied to the notion of closing excess facilities to drive excess capacity out of the system. This interest has arisen despite the fact that small rural post offices are the keystone of many rural communities, and the fact that closing post offices saves the Postal Service very little money. According to PRC data the total net cost of the 10,000 smallest Post Offices—more than one-third of all Post Offices in the United States—is less than seven tenths of one percent (0.7%) of the total cost of the United States Postal Service. The League just recently re-verified that data with the Commission's staff.

Thus, closing post offices is not a cost savings measure of any serious import, no matter how anyone spins it. It is one of those —cost saving measures that is popular with senior postal managers who wish to —look good and give the impression that they are driving costs out of the system, without really doing so. In order to drive costs out of the system, one needs to focus on

increasing efficiency in the administration of the system (less reports, more hands-on work) and on driving out any excess capacity in the processing and transportation network. The breadth and scope of the delivery network turns more on the number of delivery points in an area, rather than on the number of pieces delivered. The number of pieces delivered goes to the number of routes that exist, and our members have worked with their carriers in very productive ways throughout the recession, in order to consolidate and increase productivity in that area.

* Closing post offices, like the closing of Borders Bookstores or Blockbuster outlets, can seem like a fast way to cut costs, but it carries significant hidden costs. First, unlike other stores, post offices are not just retail outlets; they are part of a nationwide receipt and delivery network. This receipt and delivery network depends upon the existence of these rural offices, and without them there will be gaps in coverage of delivery and postal services.

* Small post offices should not be closed, and indeed cannot be closed without doing serious damage to rural America and the image of the federal government in those areas.

Continue to receive a maximum
degree of regular & effective service

Following are comments I wish to make concerning the proposed discontinuance of the FREEDOM Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

TRAVELING 26 miles A DAY to get our mail would not seem VERY PRACTICABLE, ESPECIALLY considering our SEVERE winters - EVERY winter. TRAVELING 1 mile to CORNER individual mail boxes does not seem VERY SAFE, considering we ALSO operate a business at this P.O. box

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

This would not seem VERY ATTRACTIVE for anyone wanting to move to FREEDOM, especially if they had a business of any type. Close postal service on Saturdays and get the SAME RESULTS OR BETTER RESULTS

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

How would you like to TRAVEL 26 miles A DAY for your basic Postal needs, ESPECIALLY considering we get Winter 7 months of the year.

To The US Post Master,

I wish to make the following comments:

Moving the post office out of Freedom, WY or changing methods of services will directly affect my three companies in the Freedom, WY area. Tincup Sports, LLC, Tincup Enterprises and Freedom Arms ship and receive many registered packages each week which I understand would have to be shipped and received in Thayne, WY or other more distant locations. This would create a severe burden on my companies both in travel expense and time.

I am 86 years old and Freedom has had a post office since before I was born and is a very important part of the Freedom community.

I would appreciate your reviewing the closing of the Freedom Post Office.

Sincerely,

Wayne Baker

We would have to drive an extra 10 miles one way just to mail a letter or any thing else that needed to be mailed and another 25 miles to pick up packages one way and 10 miles to get stamps also or money orders.
2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.
Would be bad for the Community also and for older people that don't get get around very well or don't have a way to get there

Following are comments I wish to make concerning the proposed discontinuance of the FREEDOM Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

The Freedom Community has depended on our Post Office for over 100 yrs. By closing the P.O. the residents would be forced to travel at least 5 miles, if not more, to take care of their postal needs. There are a number of older residents that depend on the convenience of having the P.O. close and easily accessible. Traveling, especially in the winter, would create a hardship for many residents.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

There are several local businesses that use the P.O. to conduct their mailings/shippings/and receiving of materials. It would be more expensive for these businesses to travel to other locations to conduct their business.

Business addresses and other information would need to be changed causing an addition financial stress,

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

There are several qualified postal employees living in the Valley that could take the positions needed to keep the P.O. open.

As a Senior citizen; mailing pkgs - buying stamps - I send quite a few packages - Also, our winters are long & hard - Roads are not always the best. It looks to me as though the Thayne P.O. would need to be upped & more \$'s spent there also, adding to the inconvenience of our Town who has faithfully supported this P.O.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

We need this service -

I sincerely doubt closing our P.O. will have a big impact on the finances of the US-P.O. We could of had a descent postmaster yrs. ago but other people used us as a stepping stone to get where they wanted to go - Gary is excellent!!

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

I feel that the proposal to close the post office would be detrimental to the community. It's nice to be able to go into the post office to retrieve my mail where it is safe from groups of marauding kids, and cattle that some let roam the neighborhood because of their owners not knowing what a proper fence is. When times get tougher some people will resort to stealing contents from mail boxes to find some kids birthday money sent from grandma.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

I feel that it would have a negative effect on the community.

Silver Star Communications was thinking of having their postage meter rebilled there. They used to bill it all the time but has since started the billing process out of house. \$2,000.00 ~~to~~ up to \$5,000.00 per month ought to be ample reason enough to keep the Freedom Post office open.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

I believe without a post office in Freedom there will be unfavorable effects on the community. I know people who couldn't get a P.O. box elsewhere in the valley have one here. That impacts people even outside of Freedom then.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

I believe the proposal will have an unfavorable effect on services. If the people need to meet the carrier to "conduct" business, the times would be interrupted if a lot of people needed stuff. Mail would arrive later to other areas. Weather also plays into it. Slick roads, ice & slush are present most of the winter (which lasts about 9 months of the year.)

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

One unfavorable effect would be to travel 7 miles to do over the counter services, so that would eliminate that convenience. Transacting business at a mail box is not good business, or convenient. I can't see how the mail carriers can get the mail delivered on time and transact these extra duties.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Our leading businesses would have to, along with us, go to Thayne to mail large parcels. No one is going to leave them outside by the mail box or wait an extra day for pick-up. For the safety of the package most people would travel to Thayne to mail it, thus costing fuel and time on our part.

IF THIS OFFICE IN FREEDOM IS CLOSED I AM GOING TO BE FORCED TO LEARN TO USE A COMPUTER AND CELL PHONE. AND USE E MAIL AND TEXT MESSAGE. INSTEAD OF LETTERS LIKE I HAVE BEEN DOING IN THE PAST. AND FEEL MORE COMFORTABLE WITH LETTERS THAN THE OTHER WAYS.

BUT IF THE OFFICE IN FREEDOM IS CLOSED I GUESS I WILL BE USING E MAIL, TEXT MESSAGING, TELIPHONE AND SEND MY PARCELS WITH UPS.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

Closing the Freedom Post Office is the Wrong thing to do because there are other smaller P.O. with more reasons to be closed first. The Freedom office does more business than 30% of the other small offices. Closing it would affect our community adversely. It is needed. It is part of Wyo & America.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Closing the office would cost the (U.S.) Postal Dept. more than leaving it open. There are many other teller options to save money. The Freedom office has been neglected by management - (no regular P.O. Jan OIC has run it for several years. Management could put a Postmaster here if they weren't so set on closing.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

Other smaller offices have been left open in Wyo - management doesn't understand our needs (rural). They are trying to make a name for themselves! Our office should not be closed for the reasons given (No Postmaster) (low revenue).

Optional Comment Form

Following are comments I wish to make concerning the proposed discontinuance of the FREEDOM Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

Federal law states a post office can not be closed because of financial matters. Silver Star telephone Co. will (have) bring their mailing from South Dakota back to Freedom P.O. (\$3000 to \$5000 per mo.) If office closes they will return their mailing to South Dakota.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

We have extreme bad weather in our Valley. Some day the Mail is late, late, to deliver to Routes and have the people know of the delayed schedule would be next to impossible. there are 75 Route boxes now If office closes there would be 247 Boxes. the need for a second Mail carrier.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

Freedom is 3rd largest P.O. in the Star Valley Area. We are growing - with people moving in and we will have more need of more service. A KOA for 100 people is being built. we need our post office.

to put an OIC in Freedom is not the best way to. we need a postmaster. Our experience with O.I.C. has been an unhappy one for us. they did not like Freedom. Ask to be Moved - Gary A. He has helped us more than any one.

Optional Comment Form

Following are comments I wish to make concerning the proposed discontinuance of the FREEDOM Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

We have enjoyed the convenience of a Post office and the help of the Post master or mistress for many years. They help us Prepare Packages for mailing and take care of forwarding our mail to another location when we are away. They make fewer mistakes than the People in Denver who continue forwarding things when asked to stop.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

The Post mistress has helped us mail stacks of wedding + birth announcements over the years. It would be difficult to travel all the way to the thayne Post office, not to mention the cost with the price of gas! Our post office gives us a sense of closeness in our community.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

We think it will discourage People who may be thinking of moving here to our town, without a Postoffice. Since we live on the Idaho side of the town it could cause another problem if the postal service should decide that we should have an Idaho address. the nearest Idaho town is at least 50 miles away.

The Convenience of having a post office in Freedom is unmeasureable. It is the hub of the small town. The clerk is now Gary Astle (from S.V.) It is very important to have a clerk in Freedom that is familiar & knows everyone. For some reason we have had some real "loonies" one that told everyone she was a witch and was going to put a curse on those she didn't like. Come on -- The Freedom post office makes it possible & convenient for the numerable Senior Citizens that live here to get their mail & to have a place that they feel safe. PLEASE

Marcela Juarez Rivera
7500 E 53RD PL RM 2214
Denver, CO 80266-9631

Dear Ms. Rivera,

I am writing in regards to the closing of the Freedom Post Office. I believe that it would be a big disservice to our community to lose this post office. There are communities other than Freedom that use this post office. I know of people from Star Valley Ranch and also from Wayan, ID that also use this post office.

As far as getting my mail in Thayne, yes I can go there but I do my shopping one day a week therefore it would be very inconvenient to send out my business mail. I do send registered, insured and delivery confirmation several times a week. I don't want to drive 10 miles to do it!

The Freedom Post Office is considered a historical site. There have been several times in going to the post office to pick up my mail that someone is there taking pictures of it. The grade schools also go to it as a field trip for the historical sites in the valley.

As you can see, I am not in favor of closing the Freedom Post Office. I hope that you will reconsider doing this.

Thank you,

A handwritten signature in cursive script, reading "Bonnie Pantuso", with a long horizontal flourish extending to the right.

There are no businesses in the town. It is very rural. The Post Office serves a large area and is a hub for the area. We have a great clerk now - Gary Gittle. He is from Star Valley and knows the people. We have others who have worked in this office and they have been less than acceptable. If you hire someone from Freedom or Star Valley, they come and do great. If you import, it seems like we get the left over and they stink. Keep the Post Office... Keep Locals as workers.

POST OFFICE ON WHEELS
SERVICES AVAILABLE FROM RURAL AND
HIGHWAY CONTRACT ROUTE CARRIERS

You can eliminate almost all trips to the Post Office, because doing business with the Postal Service is as close as your mailbox. The carrier can provide virtually all postal services to you, and most transactions do not require meeting the carrier at the mailbox. Some of the most frequently used services are:

MAILING PACKAGES

Carriers will accept packages at the mailbox without a customer being present, provided the postage is fully prepaid, and the customer is known to reside or conduct business at that collection point. The package MUST have a matching return address that is the same as the collection point. If postage has not been applied, estimate the amount of postage needed and leave the money in the mailbox. If insurance is desired, the value of the contents must be specified. The carrier will take the package to the Post Office, and it will be weighed to determine the appropriate rate. The package will be mailed that same day. The carrier will leave the customer's change and insurance receipt, if appropriate, in the mailbox on the next delivery day.

PURCHASING STAMPS BY MAIL

The Stamps by Mail program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, *Stamp Purchase Order (Rural)*, available from the Post Office or the carrier.

Commemorative stamps and stamp-collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the United States Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the Post Office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as Certified, Registered, Express Mail, Delivery Confirmation, Signature Confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the Post Office during their absence. Upon return, the customer asks the Post Office to resume delivery.

I don't mail my packages this way. I go direct to post office. I don't leave my mail to be sent lying around, and don't plan to.

I prefer to mail my own envelope & packages all the time.

If I need a money order I will go pick it up myself, not have some one else doing it for me. Never have and never will.

I do not & will not leave money laying around for some one else to make the payment, mail packages or deliver me stamps or money orders or anything.

I do not & will not leave money laying around for some one else to do my business. I'll do it myself.

Please add any additional comments on a separate piece of paper and attach it to this form. Thank you for taking the time to complete this questionnaire.

We think it would be a great inconvenience to the people of Freedom to close down the Freedom Post Office for these reasons---

1. There are many older people here that depend on the drive up mail service that our postal worker provides.
2. There are people from other communities that use the Freedom Post Office.
3. If you want to save money--close on Saturdays. Whatever mail there is on Saturday can wait until Monday.
4. We are a rural community that depends on the post office for much of our mailing needs. We have to drive at least 7 to 10 miles to the nearest Post Office away from Freedom. With gas prices going up--it makes a difference.

The Freedom Post Office is busy most of the day, every day. Please take these things into consideration and keep the Freedom Post Office OPEN.

Sincerely,

RE. Freedom Post Office

To whom it may concern,

I would like to inform you of the assets the Freedom P.O. is.

This is a small community with aprox. 300 population. The P.O. furnishes all of our mailing - postal needs. My aged Mother-in-Law looks forward to picking up her mail at the post office as money of the elderly do here. It is a 2 mile drive for her now. She would have to drive another 8 miles to receive her mail. We need the Freedom Post Office in this area.

There are only a few business here in Freedom and we as business owners need that post office for our daily business. It would hurt our business activities as well as our business in general. Please do not close the Freedom Post Office.

Sincerely

Lisa Nelson.

I like the service provided by my local post office. I believe that it is important and that it helps to keep my mail safer. General delivery boxes are not secure and in our community situation mail boxes are often destroyed by weather and snowplows leaving my mail damaged or missing. Snowplows have destroyed many of my mailboxes over the years and I would prefer post office services.

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Freedom, WY Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Afton Post Office, located 21 miles away. Service will be provided to cluster box units (CBUs).

CBUs are secure free-standing units of individually locked mail compartments installed and maintained by the Postal Service at no cost to the customer. A parcel locker may also be installed.

The postmaster position became vacant when the postmaster was promoted on June 01, 2009. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: 1. Declining workload 2. Proximity to other offices 3. Alternate service could be provided by other means

The Freedom Post Office, an EAS-11 level, provides service from 08:30 - 16:30 Monday - Friday, 09:00 - 12:00 Saturday and lobby hours of 24 on Monday - Friday and 24 on Saturday to 172 post office box or general delivery customers and 75 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 14 transaction(s) accounting for 16 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by highway contract route service. Office receipts for the last 3 years were: \$30,871 (81 revenue units) in FY 2008; \$25,058 (85 revenue units) in FY 2009; and \$24,642 (84 revenue units) in FY 2010. There were four permit mailer(s) or postage meter customer(s).

On May 18, 2011, representatives from the Postal Service were available at Freedom Community Park Shelter, Freedom, WY to answer questions and provide information to customers. 78 customer(s) attended the meeting.

On March 30, 2011, 255 questionnaires were distributed to delivery customers of the Freedom Post Office. Questionnaires were also available over the counter for retail customers at the Freedom Post Office. 81 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 7 favorable, 66 unfavorable, and 8 expressed no opinion.

One congressional inquiry was received on May 27, 2011.

A petition supporting the retention of the Freedom Post Office was received on June 19, 2011, with 99 signatures.

When this final determination is implemented, delivery and retail services will be provided by the Afton Post Office, an EAS-18 level office. Window service hours at the Afton Post Office are from 08:30 to 17:00, Monday through Friday, and on Saturday. There are 11 post office boxes available.

Retail service is also available at the Thayne Post Office an EAS-15 level office, located six miles away. Window service hours at Thayne Post Office are from 07:30 to 16:00, Monday through Friday and 08:45 to 11:45 on Saturday. There are 13 post office boxes available for rent.

The proposal to close the Freedom Post Office was posted with an invitation for comment at the Freedom Post Office, Thayne Post Office and Afton Post Office from June 06, 2011 to August 07, 2011. The following additional concerns were received during the proposal posting period:

During national and local emergencies, including prolonged periods of extreme weather conditions, rural/hcr carriers have demonstrated great responsibility in providing mail service to postal customers. Rural/HCR carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day. The Thayne post office located 6 miles away also provides all retail services.
5. **Concern:** Customers were concerned about obtaining accountable mail and large parcels.
- Response:** The customer expressed a concern about obtaining accountable mail and large parcels. If you live less than one-half mile from the line of travel, the carrier will attempt delivery of accountable items and large parcels to the customer's residence. - Response:** Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to 1/4 mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

11. **Concern:**

Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.

Mailboxes must be placed so that they may be safely and conveniently served by the carrier and must be located on the right-hand side of the road in the direction of the carrier's travel. VI. SUMMARY

This is the final determination to close the Freedom, WY Post Office and provide delivery and retail services by highway contract route service under the administrative responsibility of the Afton Post Office, located 21 miles away. Service will be provided to cluster box units (CBUs).

The postmaster was promoted on June 01, 2009. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by highway contract route service.

The Freedom Post Office provided delivery and retail service to 172 PO Box or general delivery customers and 75 delivery route customers. The daily retail window transactions averaged 14. There are four permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$41,210 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.
